No. 2161-1.

With reference to Genl Commr's

I enclose copy of a Notification
from the Govt of India appointing Major Gen Perkins to be Deputy
Inspector General of Police in

No. 4216

Jud. C 105

Mysore Chief Commissioner's Office

Bangalore 29th October.

To

The Judicial Commissioner,

Sir,

With reference to the accom
copy of a Notification No 224
17th October 1873, from the Government of
Foreign Department, appointing Major
Gomperts, to be Deputy Inspector Genera
Police in Mysore, I am directed to inform
that, on his being relieved of the duties of
Superintendent Bangalore Police by the Dep
Commissioner, and of Cantonment Magis
by Captain Blair, who has been appointe
to officiate in that post as a temporary me
Major Gomperts will assume charge of h
new office. —

2. The arrangements for giving effec
to this will be carried out under your ord
and you are requested to be so good as to rep
how the measure will affect the existing
Cantonment Police Administration, and
whether any special orders appear to b

necessary in this respect. —

3 Mr Newton the Assistant Superintendent should the Chief Commissioner consider the Deputy Commissioners Assistant for the District Police generally, as well as specially for the Town and Cantonment of Bangalore and it appears to Colonel Meade that some re-organization of the Inspectors of Police of the latter will probably be necessary. —

4. The necessary instructions for the guidance of the Deputy Inspector General of Police will be issued by you in accordance with para 2 of Letter from the Government of India Foreign Department No 1911 J dated 23rd September 1873, a copy of which is herewith forwarded together with this Office Letter No 2551 J dated 16th August to which it is a reply. —

I have the honour
Sir,
Your most obedient Servant

Mysore Chief Commissioner's Office
Bangalore the 4th August 1873

To

The Secretary to the
Government of India
Foreign Department
Simla.

Sir,

With reference to the under Secy's letter dated 29th May 1873, No. 88 J, requesting a definition which it is proposed that the Judicial Commissioner as Inspector General should delegate to the Deputy Inspector General under the new scheme for the supervision of the Police, I am directed by the Officiating Chief Commissioner to submit the following remarks.

2. On reference to Mr. Gordon's letter
on Judicial marginally noted it will be observed that
was in Mysore. as given in the defined in general terms the
duties of the Deputy Inspector General.
Chief These duties may be summed up as the
administration of the Police under the
Control of the Inspector General. It is
not proposed for the present to relieve

57

the Inspector General of the Savings & Central
the Police, but merely to relieve him only
such portions of the duties of that Office
which from his position as Judicial Commis-
sioner he might not, and such portions
also as he cannot properly perform other
duties referred to were those of guiding the
Police in their investigations into Crimes
reported, and those of Police inspection and
generally throughout the Province

At present the duties which the
Judicial Commissioner of the Crown
conducts as de facto Inspector Gener
of Police may be divided under the follo
two heads -

Firstly the general administrative s
vision of the Police -

Secondly the receiving of, and issue o
orders upon the first information refer
to heinous Offences and the weekly rep
of progress in the detection of the same -

The work to be undertaken upon the J
Commissioner under the first head is
mainly heavy and obliges him to be consta

from head quarters to the detriment of the Judicial work. Under the second head it has been ascertained that the average number of first information reports of heinous offences received by the Judicial Commissioner is 18 per annum, while the weekly progress reports reach 52 per annum. It became therefore absolutely necessary to afford the Judicial Commissioner some aid in the performance of the work which thus falls upon him in addition to his Judicial duties.

4. It is further desirable that the Judicial Commissioner should possess the means of relieving himself of the immediate direction of detective operations more especially in cases which are likely to come before him as the Court of highest appeal.

5. The Deputy Inspector-General should however be under the orders of the Judicial Commissioner, for with the present organization of the Police it would not be expedient to make the District Officers subordinate to a Deputy Inspector General.

6. In other respects the appointment of the Officer in question will not occasion any change in the organization of the Police. It is however probable that the appointment will be the means of aiding such measures tending to improved organization as may hereafter be determined upon.

in Council is pleased to sanction the appointment of a Deputy Inspector-Gen of Police in Mysore. The emoluments of the appointment will be on the scale pro vided in para 7 of your Officiating Secretary's letter No. 7333/209 J. dated 17th Nov last and, as suggested by yourself, the necessity for the appointment should be reconsidered when the reorganization of the Police of the Province has been completed.

2. The functions and duties of the Deputy Inspector-General will be those described in the letter under acknowledgment. I am however to impress on you that the appointment is made solely for the purpose of Gen organization and discipline, and that the direction of the District Police while in the opinion of His Excellency in Council should be vested in the Deputy Commissioners should remain as heretofore with the District Officers in direct subordination to the Judicial Commissioner as Inspector-General of Police. His Excellency in Council considers it

respectfully that the Deputy Inspector General should undertake the immediate direction of detective operations, and considers that this kind of direction should be vested in District Officers.—
